Dear Mr Holman

Re: Warringah Local Environmental Plan 2011 - Deferred land

Thank you for your letter dated 12 February 2012 outlining your suggestions and offer of assistance in relation to the strategic review of deferred land that the Minister has requested Council to undertake.

In previous correspondence in this matter the Minister has not provided instructions in relation to a review process. It is anticipated that a report will be brought to Council on 27 March 2012 outlining such matters as (but not limited to) Council's obligations under the Environmental Planning Act; options in relation to the scope and parameters of any strategic review process and implications of Council's resolution of 11 August 2009 which supports the carrying out of studies recommended by the Planning Assessment Commission to inform strategic decision making in Oxford Falls Valley.

Accordingly, until such time as Council has made a decision in relation to future options there has been no instruction to staff to enter into a review process. Therefore, at present, I am unable to consider your invitation to address the meeting of WUFA scheduled for 2 May 2012.

I thank you for your interest in this matter. Please address future enquiries to David Kerr, Group Manager Strategic Planning on 9942 2111 who will be happy to assist.

Yours faithfully

Malcolm Ryan
Deputy General Manager Environment
